Re: Bexhill Heritage, Trustees' Annual Report period ended 31st March, 2021

We have acted as examiner for the above.

As accountants we can find no reason not to approve the report in line with the UK Charity Regulators guidance (May 2020) and thus we found no reason to raise any questions on the report which is comprehensive. The charity is to be registered by the Charity Commission shortly.

We have not completed an audit as none is required
